

BARACUDA®

THE TRUSTED NAME IN POOL CARE

Founded in the 1970s, BARACUDA® offers complete pool care solutions trusted worldwide for quality, simplicity and ease of use for everyday pools.

AquaLume™

PAR56 - Flat - Mini LED Lights

Brilliant lighting for any pool

BUILT TO LAST, DESIGNED TO SHINE

AquaLume™ LEDs are a cost-effective upgrade over halogen, delivering up to 100 times the lifespan and IP68-rated protection for long-lasting brightness and reliability.

LOWER ENERGY CONSUMPTION

Compared to conventional pool lights, LED projectors consume up to 20 times less energy—resulting in lower electricity bills without sacrificing brightness or performance over time.

FLEXIBLE FOR NEW BUILDS AND RETROFITS

Designed for any pool setup, it offers easy installation along with customizable light colors and controls to match every owner's style.
